Gliwice, 2007-06-19

To **all** whom it may concern.

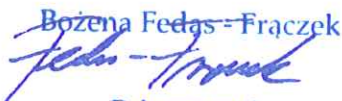

We as the legal Forum Gliwice Sp. z o.o. representatives hereby confirm that NIRAS Polska has completed the FORUM Shopping Center in Gliwice project.

The scope of works covered the building permit design, tender documentation along with monitoring the tender procedures. NIRAS Polska performed the supervision upon the tenants designs as well.

That project included: design of supermarket, boutiques gallery, cinema multiplex, restaurants and underground parking, altogether of area 90 000 square meters.

NIRAS's contract services: project management, complete design (including architecture), planning and other services related to procedures for approval and planning permissions.

During the contract NIRAS Polska revealed the highest level of professionalism, very good cooperation spirit, and expert technical knowledge. NIRAS Polska has assumed optimal design solutions and done their's duties according the time schedule and between the budget.
